

Theme colors: Using gradient green and black, and white colors, Primary Gray, Dark Gray, Black (Soft), Accent Red, Accent Green, Accent Yellow, Pure White.

Stack: Angular 18

1. Top Navigation Bar (Header)

- Logo / System name on the left(use ghana's national service logo)
- Supervisors user profile dropdown (settings, logout) on the right
- Global search bar (optional) for quick personnel or submission search

2. Left Sidebar Navigation

Vertical menu with collapsible groups, clearly labeled:

-  Dashboard (Home)
-  Evaluation Submissions
-  NSS Personnel Management

-  **Message Center**

Highlight the current active page

3. Main Dashboard Content Area

a) Overview Cards (Top row, full width or grid)

- Show 3 to 4 cards side-by-side, e.g.:
 - **Total submissions this month**
 - **Pending submissions**
 - **Approved submissions**
 - **Rejected submissions**

Use clear icons + numbers + small trend indicators (up/down arrows)

b) Submissions by NSS personnel

- Interactive map or bar chart
- Clickable to filter submissions
- Hover to see detailed stats

c) Recent Activity Log (Right or below map/cards)

- Vertical scrollable list
- Show latest form submissions, approvals, supervisor reviews
- Timestamp + quick action links (e.g., “View Submission”)

d) Quick Action Buttons (Floating or fixed below cards or in sidebar)

- Big, visually distinct buttons:
 - Review Submissions
 - Generate Reports
 - Message Admin(to message assigned admin)
