Theme colors: Use gradient green and black, and white colors, Primary Gray, Dark Gray, Black (Soft), Accent Red, Accent Green, Accent Yellow, Pure White.

Stack: Angular 18

1. Top Navigation Bar (Header)

- **Logo / System name on the left(use ghana's national service logo)**

- **Admin user profile dropdown (settings, logout) on the right**

- **Global search bar (optional) for quick personnel or submission search**

2. Left Sidebar Navigation

Vertical menu with collapsible groups, clearly labeled:

- 🏠 **Dashboard (Home)**

- 📄 **Evaluation Submissions**

- 👦 **NSS Personnel Management**

- 👨‍🏫 **Supervisors Management**

- 📊 **Reports & Analytics**

- ⚙️ **System Settings**

- 🛡️ **User Management & Permissions**

- 📂 **Document Archive**

- 📚 **Help & Support**

Highlight the current active page

3. Main Dashboard Content Area

a) Overview Cards (Top row, full width or grid)

- **Show 3 to 4 cards side-by-side, e.g.:**

  - **Total submissions this month**

  - **Pending submissions**

  - **Approved submissions**

  - **Rejected submissions**

Use clear icons + numbers + small trend indicators (up/down arrows)

b) Submissions by Region / District (Below cards)

- **Interactive map or bar chart**

- **Clickable regions to filter submissions**

- **Hover to see detailed stats**

c) Recent Activity Log (Right or below map/cards)

- **Vertical scrollable list**

- **Show latest form submissions, approvals, supervisor reviews**

- **Timestamp + quick action links (e.g., "View Submission")**

d) Quick Action Buttons (Floating or fixed below cards or in sidebar)

- **Big, visually distinct buttons:**

    - **Review Submissions**
    - **Generate Reports**
    - **Add Supervisor**
